Passed.

Motion by F. Dwight Malngren seconded by Virg Brown that an assessment be levied against water users in class I on a basis of acre-feet delivered in 1969 at such a rate as will give an amount of \$24,450.00 and that an assessment of \$1,000.00 be levied against Class II water. This Class II assessment is to be levied on a decreed second foot basis, weighted according to water delivery. This would make a total assessment of \$25,450.00. *note* **Passed.** That a 6 to 7 ratio be adopted for class I water. 6 for users above plate reservoir 7 for all other users. **Passed.**

Motion by F. Dwight Malngren seconded by Sidney Peterson that we as water users of Sevier River recommend to State Engineer for appointment Bruce Whited of Richfield, Utah and Roger Walker of Delta, Utah at (\$21.07) per month each, as commissioners of Sevier River for 1970 operation and they continue in office until such time as a duly qualified successor is officially appointed. Their duties to be equal and divided between them. **Passed.**

Mr. Norseth said that he would take the appointments to Mr. Lambert the State Engineer, but he was quite certain of the appointments of Bruce Whited and Roger Walker as Commissioners for Sevier River.

This is going back to records as I reminded the chairman
